

*What if we saw, while out walking (I)*  
*What if we saw, while out walking (I)*  
Gracia Haby & Louise Jennison  
2021

Print on an A4 sheet of paper. You may have to reduce the print scale to 95%.

Cut away the white paper, leaving only the image in the middle.

Fold your printed bat image in half and then in half again and again until you have eight concertina panels.

Enjoy! Post! Share!
